to get past that three-headed dog?  
- Who told you about Fluffy?  
- Fluffy?  
- That thing has a name?  
- Of course he has a name. He's mine  
I bought him off an Irishman.  
I lent him to Dumbledore to guard...  
Shouldn't have said that.  
No more questions! That's top-secret.

**Part 03** - In this part, we suggest you listen to a song while paying attention to its lyrics.

Westlife-Swear it Again

**Part 04** - This part is for the Q and A session. Here I will tell you a story and ask you questions, and you will have to listen carefully and answer those questions.

A long time ago, there was a king called Luvi. One day he wanted to know what is there at the end of the world. He made 12 groups of sailors and gave them 12 ships. Then he told them, "my brave sailors! You have to travel as far as you can through the ocean, and tell me what is there at the end of the world". After a few weeks, sailors started to sail. Days, weeks, months, and years went, but there was no information from them. King was worried, but there was nothing he could do. After 11 years, suddenly, one ship appeared. King wondered and fascinated. He couldn't even wait until they come to the palace. So the king ran to the ocean. And could you believe or even guess what he had to hear from those sailors?

I guess not. For that, you will have to wait until the next episode.

- What was the king's name?
- About what, was he curious?
- How many groups does he create?
- What did he tell to sailors?
- What happened after they went?
- How many years did the king have to wait until he saw a ship?
- What did he do after he knew the news?

**Part 05** - In this part, I will give ten or five new words to your vocabulary and will tell you how to use these words in a sentence.
